

Public Notice

CONSTRUCTION

APRIL 4 – May 20

The Town of Telluride will begin construction on the **2016 Colorado Avenue Waterline Replacement Project** this Monday, April 4, 2016. Vehicles parked on the subject streets must be moved before 7:00 am on Monday morning, April 4. Parking at Carhenge is available to you starting April 1st and ending May 25th.

This project replaces an existing undersized and outdated waterline with a new waterline. The contractor, Williams Construction, will be working diligently to complete the project with as little impact to residents as possible. However, water service must be interrupted on a scheduled basis. We expect most of these interruptions to last a few hours. You will receive notice of a water service interruption three days prior.

Anticipated Street Closure Schedule:

<u>Date</u>	<u>Streets Blocks Closed</u>	<u>Alternate Parking</u>
April 4, 2016	600 W. Pacific, 100 S. Davis, Davis & Pacific intersection	Carhenge Lot, 500 W. Colorado
April 5 – 11, 2016	600 W. Pacific, Davis & Pacific intersection	Carhenge Lot
April 12 – 14, 2016	Davis and Pacific intersection, 100 S. Davis south of alley	Carhenge Lot, 500 W. Colorado
April 15 – May 13, 2016	100 South Davis	600 W. Pacific 500 W. Colorado

Public Notice

CONSTRUCTION

SPRUCE ALLEY DRAINAGE IMPROVEMENTS PROJECT

This project will begin on Monday, April 4, 2016 and substantially complete on Friday, May 6, 2016. Please be aware that there will be no street parking or alley access for all or part of the construction period. You may have no access to your driveway. Pedestrian access will be provided.

This project involves installing a stormwater collection system along the alley on the south side of E Colorado between S Fir and Spruce streets, continuing down the 100 and 200 block of S Spruce, and then constructing an outlet near the Hobgood-Drew Wetland. Overhead utilities in the alley will be placed underground. Disturbed streets and the alley will be repaved with asphalt.

Street Closure Schedule:

<u>Date</u>	<u>Street Closure</u>	<u>Alternate Parking*</u>
April 5 through April 8, 2016	200 block S Spruce Street to E Pacific	100 & 200 E Pacific
April 11, 2016	S Spruce & E Pacific Intersection	
April 12 through April 15, 2016	E Pacific to 100 block of S Spruce	100 & 200 E Pacific
April 18 through April 29	Alley from S Fir to S Spruce	
May 2 through May 6, 2016	S Spruce To Hobgood Drew Wetland	
Week of May 30, 2016	Asphalt	

If you have any questions or concerns about this project or experience a utility outage that you were not notified of, please contact Drew Lloyd at 970-728-2169.

*If it is more convenient, the north side (river side) of Carhenge is available for parking from April 1st through May 20th to accommodate those who may lose parking during construction who may be leaving on vacation for an extended period.
